

The State of Texas
County of Bexar

Before me the undersigned authority this day personally came Jose' M. Flores, one personally known, who after being duly sworn upon his oath says, that the two Bures valued at Twenty Six (\$26) dollars, mentioned & described in the ~~receipt~~ ^{receipt} signed by R. S. Neighbors Jr. M. Ll. Texas sold were actually passed into the Texas Service on the 30th of March A.D. 1842, at Post, Laramie Ranch and ~~that~~ ^{they} were actually worth the said sum of Twenty Six Dollars. And that he has never received pay for the same from the Government, and that the same is justly due & owing.

Jose' M. Flores,

Now to subscribe before me this 8th day of January A.D. 1853.

To certify which I hereunto sign my name & affix
the number of my official
